2016 JUNIOR GOLF CAMPS

LEARNING PROGRAM

The U.S. Kids Golf Learning Program is a proven method to introduce golf to young players. The program becomes more difficult as players advance through each of the three levels, and the Level 1, 2 and 3 booklets provide the framework for both coaches and parents.

The booklets provide instruction and examples of forms and skills, and each level has checkpoints in five core areas: **Putting, Around the Green, Full Swing, Knowledge and Scoring**. As an incentive to advance through all the levels, players earn an achievement pin each time they complete one of the checkpoints. In order to pass each level, players must play nine holes from the minimum yardage as assigned per level and meet the scoring requirement.

U.S. Kids Golf Certified Coaches use these booklets in daily instruction and at USKG Camps across the country.

The **Level 1 Instructional Booklet** mixes kid-friendly instruction with on-course play that is suitable for all beginner golfers. The curriculum includes forms and skills tests in five core areas for the player to pass before progressing to the Level 2 Booklet.

The **Level 2 Instructional Booklet** mixes kid-friendly instruction with on-course play that is suitable for all beginner to intermediate golfers. The forms and skills tests increase in difficulty from Level 1 as the player develops fundamentals in five core areas of golf. Once the player has passed the Level 2 curriculum, he or she is ready for Level 3.

The **Level 3 Instructional Booklet** mixes kid-friendly instruction with on-course play that is suitable for intermediate golfers. The forms and skills tests increase in difficulty from Level 2 as the player develops the fundamentals to

TRACKING PROGRESS

The Learning Scoreboard...

Have fun. Earn pins. Track your progress! Players can celebrate their progress by displaying the pins they have earned on the Learning Scoreboard.

Achievement Pins...

To provide players with incentive to advance through the levels, achievement pins are earned each time a section of the booklet is completed. The .58 inch pins are designed to be placed on the Learning Scoreboard. The pack includes a pin for each of the following areas: *Putting, Around the Green, Full Swing, Knowledge & Scoring*

Mastered Pins...

The Level 1 Mastered Pin is earned by players who have mastered all 5 skill areas of the Level 1 Learning Program. The 1.5 inch pin is designed to be placed on the Learning Scoreboard

US Kids Bag Tag Levels...

Players collect bag tags as they pass through the levels. Players can record how far they hit each of their clubs on the back of the bag tag. Bag tags identify the level of the player and the set of tees that are suitable for their ability.
